Hi - is the transcript ready to be released? I just received another email from Rep. Duffy's office asking about it. Please advise.

Thanks,
Denise

Ok, thanks. Please share the transcript once it's been QA'd. I'll tell Rep. Duffy's staffer to expect it early next week.

Denise – This is a follow up on Sen. Duffy's request for records/video tape of the hearing. No video that we know of but it appears we have a transcript back. The transcript has not been QA'd yet. Kevin Pierard was the hearing officer and mostly read from a prepared statement. He is out until the 23rd. I assume we would want to check the transcription against the prepared statement to make sure there are no big errors. We could likely do the cross check tomorrow.
